

MOONAH LINKS

MEDIA RELEASE

08 December 2006

PUMA/CLUB CAR/MOONAH LINKS PRO AM SATURDAY 24 FEBRUARY 2006

The Puma/Club Car/Moonah Links Pro Am will be held on the acclaimed Open Course on Saturday 24 February 2006 with the morning field teeing off at 7.00am and the afternoon field teeing off at 1.00pm.

Many of Australia's leading national and international golf professionals learnt and developed their trade playing the Australian Pro Am Circuits. Without the Pro Am Circuit, the support of sponsors and the support of courses which host these events, our future 'legends' of the game would be challenged to develop the skills required to succeed in the international golf arena.

Arguably one of the premier golf resorts in Australia, since opening in late 2003 Moonah Links has played host to the 2003 and 2005 Australian Open Golf Championship – cementing our profile on the world's golf stage.

The Open Course at Moonah Links is the first ever 18 holes designed, by Peter Thomson, 5 times British Open Champion, and built for a National Championship.

The Resort was designed to compliment, rather than dominate the beauty of this landscape and Peter Thomson used the ancient undulating dunes and natural contours of this land to shape the acclaimed Open Course and provide unparalleled spectator viewing.

Boasting 92 luxuriously appointed accommodation suites, two championship golf courses, practice facilities designed to Australian Institute of Sport specifications and a host of banquet and dining options, Moonah Links, and our sponsorship partners Puma Australia & Club Car, will again take centre stage on the Australian Golf Tournament Calendar when we launch onto the Pro Am Circuit.
