

MOONAH LINKS COMMUNITY TRUST

MEDIA RELEASE

20 April 2006

MOONAH LINKS COMMUNITY TRUST INAUGURAL CHARITY GOLF DAY

The beautiful Mornington Peninsula inspired the creation of Moonah Links. The Resort was designed to compliment, rather than dominate the beauty of this landscape. Peter Thomson used the ancient, undulating dunes and natural contours of this land to shape and design the now famous Open Course, which played host to the Australian Open Golf Championship in 2003 and 2005. And the sandy soil rewards us with year round playability.

The Moonah Links Community Trust has been established to provide funding for programs and projects aimed at enhancing, protecting and preserving the history, culture and environment of this unique and awe inspiring location and gives Moonah Links and the wider community an opportunity to give something back to the area in which we live and work.

The Trust has funding available for programs and projects relating to:

1. Education of young people regarding the history, culture and environment of the Mornington Peninsula
2. Establishment and/or protection of flora and fauna indigenous to the Mornington Peninsula
3. Research and projects regarding the history and culture of the Bunerong people, such projects need to have consultation with the Bunerong people.

The funds raised by participation in the Moonah Links Community Trust Charity Golf Day will enhance the Trust's capacity to provide funds to address the diverse needs of many local community programs and projects, particularly young people and families. Local businesses, residents and regular visitors to the Mornington Peninsula are being encouraged to participate and support this worthy cause.

Please address any enquiries regarding funding requests to: The Trustees, Moonah Links Community Trust, 55 Peter Thomson Drive, Fingal, Vic, 3939.
